THE PUBLISHERS have pleasure in presenting to the Public the Twenty-fourth Annual Issue of the GREENOCK POST-OFFICE DIRECTORY, and avail themselves of the opportunity thus afforded of expressing their thanks to the Secretaries of the various Societies and Associations in town, and other parties, for their kindness in supplying the information necessary for the completion of the DIRECTORY. The Publishers have endeavoured to make this Edition as complete and comprehensive as the growing importance of the Town requires; and have spared no labour in order that it might be as accurate as it is possible to make a work of this kind. The re-numbering of the streets has again been gone on with at a very unsuitable time of the year, and instead of this work being completed previous to the commencement of the publication of the DIRECTORY, the Publishers notice with regret that it is still unfinished. A Plan of the Town has this year been obtained by the Publishers from J. BARTHOLOMEW, Esq., F.R.G.S., Edinburgh, and from the very favourable notices which it has already received from the Press, it is expected to meet with the approbation of our numerous subscribers, who have our sincere thanks for their patronage.

THE SCOTTISH PROVIDENT INSTITUTION.

HEAD OFFICE—6 ST. ANDREW SQUARE, EDINBURGH.
GLASGOW, 67 ST. VINCENT STREET.

STATEMENT OF PRINCIPLES.

THE SCOTTISH PROVIDENT INSTITUTION is the only Office which combines the advantages of **MUTUAL LIFE ASSURANCE** with **MODERATE PREMIUMS**.

Instead of charging rates admittedly higher than are necessary, and afterwards returning the excess, or a portion of it, in the shape of periodical Bonuses, it gives from the first as large an assurance as the Premiums will with safety bear—reserving the Whole Surplus for those Members who have lived long enough to secure the common Fund from loss on account of their individual Assurances.

A Policy for £1200 to £1250 may thus at most ages be had for the Premium elsewhere charged to assure £1000 only; while the effect of reserving the Surplus has been, that Policies originally for £1000, which have shared at three Septennial Investigations, have already been increased to £1400, £1600, and even to £1800.

ITS TERMS are thus well calculated to meet the requirements of Intending Assurers. They are specially adapted to the case of Provisions under Family Settlements or otherwise, where it is of importance to secure, for the smallest present outlay, a competent provision, of definite amount, in the case of early death.

Examples of Annual Premium for L.100 at Death, with Profits.

Other Offices have rates as low, but they involve the sacrifice of all interest in the Profits.

AGE	25	30	35	40	45	50
Payable during Life,	£1 18 0	2 1 6	2 6 10	2 14 9	3 5 9	4 1 7
Limited to 21 Payments,	£2 12 6	2 15 4	3 0 2	3 7 5	3 17 6	4 12 1

The Rates for 7, 14, &c., payments, or other ages, may be had on application.

*** A person aged 30 may secure £1000 at death, by a yearly payment during Life, of £20 15s. This Premium, if paid to any other of the Mutual Offices, would secure a Policy for £800 only, instead of £1000. Or, if unwilling to burden himself with payments during his whole life, he may secure the same sum of £1000 by TWENTY-ONE yearly payments of £27 13s 4d.

At age 40 the Premium, **CEASING AT AGE 60**, is, for £1000, £33 14s 2d, being about the same as most offices require during the whole term of life.

Subsisting Assurances, £6,900,000. Accumulated Funds (increased last year by £137,000) now considerably above £1,650,000, all securely invested.

Reports containing full information, may be had on application at the Head Office, or from the Agents in Greenock.

RATES OF POSTAGE AND CONDITIONS OF TRANSMISSION.

*Inland Letters.**

1. The rate of postage to be prepaid is one penny for every half ounce or fraction of half an ounce,† viz. :—

On a letter not exceeding $\frac{1}{2}$ oz.	-	-	-	1d
„ „ above $\frac{1}{2}$ oz. and not exceeding 1 oz.	-	-	-	2d
„ „ „ 1 oz.	„	„	$1\frac{1}{2}$ oz.	3d

—and so on.

2. As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency is charged. An inland letter, for example, weighing more than half an ounce and not exceeding one ounce, if bearing a penny stamp only, is, on delivery, charged twopence. On re-directed letters, however, the charge for re-direction is the same whether prepaid or collected on delivery.—(See paragraph 111).

* Inland Letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands.

† If the weight be exceeded to the smallest extent, even though the balance be merely turned, the letter becomes liable to a higher postage. The same rule applies to Letters going abroad. To provide, therefore, for errors in scales, &c., it is well to allow a little margin, or to pay the postage of the next greater weight.

Colonial and Foreign Letters.

3. The rates of postage on letters to the colonies and foreign countries are entered in the table of Colonial and Foreign Postage at page 52.

Addresses to the Queen and Petitions to Parliament.

4. Petitions and addresses to her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are either without covers or are in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

NEWSPAPERS.

(I.) *Inland.*

By the "Post Office Act, 1870," the use of the Inland Revenue impressed stamp denoting the stamp duty, under which newspapers and other periodicals had been previously transmissible by post within the United Kingdom, was abolished, and a postage of one halfpenny was fixed for each transmission of any newspaper coming within the definition laid down in the Act.

Inland newspapers are subject to the following regulations:—

1st. To have the privilege of passing as a newspaper, the publication must first have been accepted as a newspaper by the Postmaster-General, and have been placed on a Register at the General Post Office;* from which it is liable to be removed, either through the non-renewal of the registration year by year, or in consequence of any change which may deprive it of the characteristics of a newspaper.

Registration for inland circulation includes registration for transmission abroad.

2d. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.

3rd. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to "Tables of Contents" and "Indices."

* The conditions of admission to the Register may be ascertained on application to the Secretary to the Post Office.

- 4th. A Supplement must be unstitched, must in every case be published with the newspaper, and must have the title and date of publication of the Newspaper printed at the top of every page; or if it consist of engravings, prints, or lithographs, at the top of every sheet or side.
- 5th. For each Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one half-penny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz. or fraction of 2 oz.
- 6th. A Newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.
- 7th. The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.
- 8th. No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage must be prepaid, except that in the case of re-direction the amount chargeable may be collected on delivery.
- 9th. Every newspaper or packet of newspapers must be posted either without a cover or in a cover open at both ends and in such a manner as to admit of easy removal for examination.* If this rule be infringed the newspaper or packet will be treated as a letter.
- 10th. Every newspaper must be so folded as to admit of the title being readily inspected.
- 11th. No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it. If it contain any other, such enclosure or enclosures will be taken out and charged on delivery as an unpaid letter.
- 12th. There must be no printing on the cover of a newspaper sent at the newspaper rate but the name and address of the person to whom it is sent, the title of the newspaper, the name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end. If this rule be infringed, the newspaper will be treated as a book packet.
- 13th. A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

* In order that no failure may occur in the delivery of newspapers through the covers becoming detached, it is recommended that the addresses be written on exposed parts of the newspapers themselves as well as on the cover.

14th. No packet of newspapers must exceed 14 lbs. in weight, nor may it exceed 2 feet in length or 1 foot in width or depth.

(II.) *Colonial and Foreign.*

6. Under the powers given to the Postmaster-General by the Post Office Act, 1870, the regulations relating to the registration of publications for transmission abroad as Newspapers have been revised. The definition laid down in the Act, in regard to newspapers which may be registered for transmission through the post in the United Kingdom, is alike applicable to those which may be registered for transmission abroad, excepting that for foreign transmission a newspaper may be published at intervals of thirty-one days, and that it (but not its supplement) may be printed on sheets stitched together.

Newspapers going abroad are also subject to the following regulations:—

- 1st. "Prices Current" and "Market Reports," but not private price lists or trade catalogues, are admitted to the same privileges as newspapers for foreign transmission.
- 2nd. Publications registered for transmission abroad must be posted *within eight days* from the date of publication, including the day of publication.
- 3rd. The collected numbers issued during the month of a weekly, fortnightly, tri-monthly, &c., publication will not be allowed to pass as a monthly publication.
- 4th. *The postage must be prepaid in postage labels.* The rates are shown in the Table of Colonial and Foreign Postage.
- 5th. Publications not on the Register at the General Post Office cannot be sent abroad at any rates lower than those applicable to book packets.
- 6th. Every newspaper or packet of newspapers must be posted either without a cover or in a cover open at both ends, and in such a manner as to admit of easy removal for examination.
- 7th. Every newspaper must be so folded as to admit of the title being readily inspected.
- 8th. No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it.
- 9th. There must be no writing or other mark on a newspaper sent abroad but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, the printed name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end.
- 10th. No packet of newspapers must exceed two feet in length or

one foot in width or depth. (See also par. 11, sec. 2.)

- 11th. It is forbidden to introduce into Russia, through the Post, political newspapers, even in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers or any other publication addressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia even of newspapers not of a political character, is permitted only when they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed Prices Current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia.

PARLIAMENTARY PROCEEDINGS.

7. Printed Votes or Proceedings of the Imperial Parliament, sent without covers or in covers open at the ends, may circulate within the United Kingdom at the rate of one halfpenny for every 2 oz. or fraction of that weight.

The words "Parliamentary Proceedings" must be written or printed on the cover of the packet: otherwise it will be treated as an ordinary Book Packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only will be charged.

Parliamentary Proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a Book Post (*see* Tables of Rates).

BOOK POST.

(I.) *Inland.*

8. A Book-Packet may contain not only books, paper, or other substance in ordinary use for writing or printing, whether plain or written or printed upon (to the exclusion of any written letter or communication of the nature of a letter), Photographs, when not on glass or in frames containing glass or any like substance, and anything usually appertaining to such articles in the way of binding and mounting, or necessary for their safe transmission by post, but also *Circulars* when these are wholly or in great part printed, engraved, or lithographed.

- 1st. The postage is one halfpenny for every two ounces or fraction of that weight.

- 2nd. The postage must be prepaid either by adhesive stamps or

by means of a stamped wrapper, or by a combination of the two; except at the Chief and District Post Offices and the Branch Offices at Lombard Street and Charing Cross in London, and at the Chief Offices in Edinburgh and Dublin, where, from 10 a.m. to 4 p.m. it may be prepaid in money, provided the postage amount to not less than £1 in any one case, and provided the packets are posted in bundles each representing a postage of 5s.

- 3rd. A packet posted wholly unpaid will be charged with double the book-postage; and if posted partially prepaid, with double the deficiency.
- 4th. Every book-packet must be posted either without a cover or in a cover open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination;* otherwise it will be treated as a letter.
- 5th. No book-packet may contain anything sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. (Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.) Any such prohibited enclosure will be taken out and forwarded to the address on the packet, charged with postage as an unpaid letter; but the remainder of the packet, if duly prepaid, will be forwarded to its address.
- 6th. There must be no letter, nor any communication of the nature of a letter, written on any part of a book-packet or its cover. If this rule be infringed, the entire packet will be treated as a letter.†
- 7th. No book-packet may exceed 14 lbs. in weight, two feet in length, or one foot in width or depth.

(II.) *Colonial and Foreign.*

9. For information respecting rates of postage and regulations applying to Book-packets for places abroad see the Tables, pages 52 to 72.

PATTERN AND SAMPLE POST.

(I.) *Inland.*

10. The postage is now one halfpenny for every weight of 2 oz.

* In order to secure the return of book-packets which cannot be delivered, the name and addresses of the senders should be printed or written OUTSIDE; thus, "From _____ of _____."

† It is the duty of Postmasters, when they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book packets posted at, or passing through, their office.

or fraction thereof; but the Pattern and Sample Post is restricted to *bona fide trade patterns or samples of merchandize*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples are not admissible.

- 1st. The postage must be prepaid either by adhesive stamps or means of a stamped wrapper, or by a combination of both; except at the chief and District Offices, and the Branch Offices at Lombard Street and Charing Cross, in London, and at the Chief Offices in Edinburgh and Dublin, where, from 10 a.m. to 4 p.m., the postage may be prepaid in money, provided it amount to not less than £1 in any one case, and provided the packets are posted in bundles, each representing a postage of 5s.
- 2nd. A packet posted wholly unpaid will be charged with double the pattern postage; and if posted partially prepaid with double the deficiency.
- 3rd. Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination.† But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind,—but such articles only—may be posted enclosed in boxes or in bags of linen, or other material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided such closed bags are transparent, so as to enable the Officers of the Post Office readily to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet will be treated as a letter.
- 4th. There must be no writing or printing upon any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles; nor may there be any writing or printing or other thing enclosed except such address, mark, number, and price, and a written or printed description of the articles: and these particulars may be on labels attached to the samples. If this rule be infringed the packet will be treated as a letter.
- 5th. Any prohibited enclosure will be taken out and forwarded to the address on the packet, charged with full postage as an unpaid letter.*

† In order to secure the return of Pattern packets which cannot be delivered, the names and addresses of the senders should be printed, or written outside; thus—"From _____ of _____."

* It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine pattern packets posted at, or passing through, their offices.

6th. No packet must exceed 12 oz. in weight, or two feet in length, by one foot in width or depth.

(II.) *Colonial and Foreign.*

11. Bona fide patterns and samples can be sent, at the rates inserted in the Table of Colonial and Foreign Postage, to such colonies and foreign countries as are marked in that Table with the letter "P." The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

1st. The limit of weight is not the same to all countries. For particulars see foot-note at pages 53 to 71.

2d. A packet of patterns or samples sent to Portugal, Maderia, the Azores, Cape de Verds, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

3d. The permission given in Rule 4 of the Inland Pattern and Sample Post to enclose a written or printed description of the patterns is not applicable to packets sent abroad.

4th. Samples of intrinsic value must not be sent to foreign countries except the United States; and, in the case of France, samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, saffron, carmine, or isinglass, are considered to fall under this rule, if they weigh more than three ounces. Raw and spun silk, as well as coloured and twisted silk, may be sent to the North German Confederation up to the weight of three ounces.

5th. None of the articles named in Rule 16 (p. 14) may be sent as patterns or samples to any place abroad, except the United States of America, Germany, Belgium, Holland, Denmark, Sweden, Norway, Turkey, Moldavia, Wallachia, Portugal, Maderia, the Azores, Cape de Verds, Switzerland, and the British Colonies; and not to these places when addressed "via France." Indigo cannot be sent to any place abroad.

6th. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to any foreign country except the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, Switzerland, and Austria via France.

POST CARDS.

12. Post Cards, which bear a halfpenny impressed stamp, are available for transmission between places in the United Kingdom only.

- 1st. The front (or stamped) side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed; but such communication must not extend to the front side. Nothing whatever may be attached; nor may the Card be folded, cut, or otherwise altered. If any of these rules be infringed, the card will be charged 1d on delivery.
- 2nd. No card other than one of those issued by the Government will pass under a half-penny stamp, if it bear on it a written communication of the nature of a letter.

General Regulations.

13. When, owing to a great and unusual influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets, pattern or sample-packets, and post cards may be kept back until the next despatch or delivery.

14. It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent up to the Returned Letter Office, London.

15. Postmasters are instructed not to receive any letter, &c., which there is good reason to believe contains anything likely to injure the contents of the mail bag, or the person of any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary.

The following are examples of the articles referred to :—

A glass bottle, or glass in any form; razors, scissors, needles, knives, forks, or other sharp instruments; leeches, game, fish, meat, fruit, or vegetables; bladders, or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion.

16. This rule is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet contain-

ing such articles as these be posted, which is found not to be sufficiently guarded, it will be stopped, and a notice of its detention sent to the person to whom it is addressed or to the sender, who may then obtain it upon personal application; but the packet will be charged as an unpaid letter.

III. — POSTAGE STAMPS

17. Every Head Postmaster is required to keep, for sale to the public, a sufficient stock of halfpenny Post Cards, of the various postage labels in use, and of envelopes with the penny stamp embossed. The labels are of the respective values of $\frac{1}{2}$ d, 1d, $1\frac{1}{2}$ d, 2d, 3d, 4d, 6d, 9d, 10d, 1s, 2s, and 5s. Sub-postmasters are required to keep halfpenny and penny labels, and halfpenny Post Cards only; but they can procure any stamps of other values, or embossed envelopes which may be required. The envelopes are made of four sizes, viz., $5\frac{1}{4}$ ins. by $3\frac{3}{8}$ ins., $5\frac{1}{4}$ ins. by 3 ins., $4\frac{3}{4}$ ins. by $2\frac{3}{4}$ ins., and 4 ins. by $2\frac{1}{2}$ ins. They are all sold at the following prices:—

s.	d.	s.	d.	s.	d.	s.	d.
1 for 0	$1\frac{1}{4}$	3 for 0	$3\frac{1}{8}$	6 for 0	$6\frac{1}{2}$	12 for 1	1
2 „ 0	$2\frac{1}{4}$	4 „ 0	$4\frac{1}{2}$	8 „ 0	$8\frac{3}{4}$	24 „ 2	2

Head Postmasters are also required to keep Newspaper Wrappers bearing on impressed halfpenny stamp, of three different sizes, and to sell them at the following prices:—

Size, 12 ins. by 5 ins.			Size, 9 ins. by 4 ins.			Size, 7 ins. by 4 ins.		
	s.	d.		s.	d.		s.	d.
400	-	17 10	400	-	17 8	400	-	17 6

50	-	2 3	50	-	2 $2\frac{1}{2}$	50	-	2 $2\frac{1}{2}$
25	-	1 $1\frac{1}{2}$	25	-	1 $1\frac{1}{2}$	25	-	1 $1\frac{1}{2}$
10	-	0 $5\frac{1}{2}$	10	-	0 $5\frac{1}{2}$	10	-	0 $5\frac{1}{2}$
5	-	0 3	5	-	0 3	5	-	0 $3\frac{1}{2}$
2	-	0 $1\frac{1}{2}$	2	-	0 $1\frac{1}{2}$	2	-	0 $1\frac{1}{2}$
1	-	0 $0\frac{3}{4}$	1	-	0 $0\frac{3}{4}$	1	-	0 $0\frac{3}{4}$

18. Every Rural Messenger is authorised to sell postage labels and embossed envelopes at the same price at which Postmasters are empowered to sell them; and when any person applies to him for postage labels the messenger must either supply them, or (if he have none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the Post Office, obtain labels for it, and affix them carefully to the letters.

19. Prepayment of inland letters, newspapers, books, patterns, &c., must be by labels or embossed stamps, except in London, at

the Chief and District Post Offices, and at the Branch Offices at Lombard Street and Charing Cross, and also at the Metropolitan Offices in Edinburgh and Dublin, where, from 10 a.m. to 4 p.m., letters as well as books and sample packets may be prepaid in *money*, provided the amount be not less than £1 in any one case, and that the letters, books, &c., be tied in separate bundles, with the addresses arranged in the same direction, and representing a postage of 5s. each. Letters also to the colonies and foreign countries may be prepaid in money. British postage stamps though available for all letters going out of this country, are not, as a general rule, available for letters *coming into it*.

20. By using embossed envelopes all risk of the stamp being detached may be avoided; but when labels are used, they should be examined to see that they firmly adhere (see page 81, sec. 6), and the envelopes to which they are affixed should not be too highly glazed, since if the stamps fall off, the letters are charged with postage, and that at the unpaid rate; while as respects letters addressed to many places abroad the transmission is altogether stopped.

21. Labels should be placed on the front, that is the address side of the letter, and upon the right hand upper corner. On re-directed letters, however, care should be taken not to place fresh stamps over the stamps which have been previously used.

22. Postage Stamps which have been torn, cut, or otherwise rendered imperfect, embossed or impressed stamps cut out from the envelope, card, or wrapper, on which such stamps were embossed or impressed,—even although the stamps have not been before used or sent by post,—and Receipt or other Inland Revenue Stamps cannot be used for payment of postage. Applications for allowance for spoilt postage stamps, which have not passed through the post, should be made to the Inland Revenue Office.

23. Arrangements have been made by which paper taken by the public to the Office of Inland Revenue, Somerset House, can be impressed with stamps of equal value to any of the postage stamps above mentioned, or to a combination of any of them, under the following regulations:—

1st. When the stamps required do not amount to £10 worth, one shilling is charged, in addition to the postage stamps, for each distinct size of paper.

2nd. When the stamps amount to £10 worth no fee is charged, provided one size of paper only be sent.

3rd. When the stamps amount to £20 worth no fee is charged, provided not more than two sizes of paper be sent.

4th. When the stamps amount to £30 no fee is charged, provided not more than three sizes of paper be sent.

5th. When the stamps amount to £40 no fee is charged, provided four sizes of paper only be sent. No more than four sizes

can be received on a single warrant.*

- 6th. No *folded* envelopes can be stamped; and therefore paper, whether intended for envelopes or letters, must be sent unfolded and without being creased.
- 7th. Every distinct size and form of envelope or paper must be marked so as to indicate the place on which the stamp is to be impressed; in order that when the envelope or letter is folded and made up, the stamp may appear in the proper position, according to the rules of the Post Office.
- 8th. No coloured paper can be received for stamping, nor any paper which is too thin to bear the impression of the dies.
- 9th. Envelopes provided by the office of Inland Revenue, with the proper stamps thereon, will be substituted for any which may be spoiled in the operation of stamping.

24. A license to sell postage stamps can be obtained, free of expense, by any respectable person on application to the office of Inland Revenue, Somerset House, London, or (by residents in the provinces), on application to the Stamp Distributor of their District.

25. All Postmasters in the United Kingdom at whose Offices Money Order business is transacted are permitted, though not compelled, to purchase postage stamps from the public (provided the stamps be not soiled or otherwise damaged), at a charge of $2\frac{1}{2}$ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the payments are as follows:—

For stamps not exceeding 1s 8d in value, the full price minus $\frac{1}{2}$ d.			
,, above 1s 8d, but not exceeding 3s 4d, the full price minus 1d.			
"	"	3s 4d,	" " 5s, " " $1\frac{1}{2}$ d.
"	"	5s	" " 6s 8d, " " 2d.
"	"	6s 8d,	" " 8s 4d, " " $2\frac{1}{2}$ d.

and so on.

26. No separate stamps can be purchased. They must in all cases be presented in strips containing at least two stamps adhering to each other.

27. In all transmissions of stamps by post care should be taken to fold them in rather thick paper, so that the contents may neither be seen nor felt through the cover.

MONEY ORDERS.

The public are recommended when applying for Money Orders to use printed "Application Forms," which saves time, and afford greater security, than verbal messages, against mistakes. These

* The warrants (or requisition forms) used in applying for paper to be stamped are obtainable on application at the office of Inland Revenue, Somerset House, London, W.C.

Forms are supplied gratuitously at all Money Order Offices.

The Commission on an Inland Money Order or on orders to Belgium and Switzerland not exceeding £2, is threepence; above £2 and not exceeding £5, sixpence; above £5 and not exceeding £7, ninepence; above £7 and not exceeding £10, one shilling; above which amount no single order can be granted, but as many £10 Orders may be granted as are desirable. The commission on Money Order to Argentine Republic, Brazil, British Guiana, Canada, Cape of Good Hope, China, Falkland Island, Japan, Natal, St Helena, Tasmania, Uruguay, Honduras, New Brunswick, Newfoundland, New South Wales, New Zealand, Nova Scotia, Prince Edward Island, Queensland, South Australia, Victoria, West Coast of Africa, West Indies, Western Australia, is fourfold the above sums, and on Money Orders payable at Malta, Gibraltar, Belgium, Switzerland, Germany, Alexandria, Cairo, Constantinople, and Suez threefold.

No order is allowed to contain a fractional part of a penny.

With the subjoined exceptions, no Money Order can be Issued unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter (the person who sends the order) and the payee (to person to whom the money is to be paid), together with the remitter's address:—

- 1st. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and if a firm, the usual designation of such firm will suffice (the term of "Messrs," however, is not sufficient, except a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company;" to which kind of company the above privilege does not extend.
- 2d. Money Orders for transmission by the Public to the Privy Council Office will be issued payable to the "Privy Council Office," the name of the payee not being required in these cases.
- 3d. When the remitter notifies in writing that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee; and he may, if he wish it, substitute for the name of the payee, any other designation, or any modification of the name, as, for example:—"The Cashier of the Bank of England," "The Chief Clerk of the Foreign Office," "The Publisher of the *Times*," "Messrs Longman & Co."

When an application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid, otherwise the order can be cashed at the Head Office alone. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices, but the nearest

Money Order Office to any street in London may be ascertained by referring to the Street List published in the Post Office Regulations.

An order once issued cannot be cancelled; and should repayment or transfer to a different office, or alteration of name be required, the remitter must apply to the issuing or paying Postmaster according to the directions printed on the back of the Order.

The remitter of an order may make that order payable ten days after date, provided he sign the requisition "C," printed on the back of that order, to defer payment until ten days after date, and affix a penny receipt stamp thereto.

When an order is presented for payment (otherwise than through a bank) the Postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant for payment is neither the rightful claimant, nor deputed by him. When an order is payable through a bank it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself or by another person); and that it be presented (crossed with name of the receiving bank), by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted, that when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

PRINCIPAL RULES

OF THE

GOVERNMENT INSURANCE AND ANNUITY OFFICE,

AND OF THE

POST OFFICE SAVINGS BANK.

PRINCIPAL RULES OF THE GOVERNMENT INSURANCE AND ANNUITY OFFICE.

- I. The Postmaster-General is empowered, under the Act 27 & 28

Victoriae, cap. 43, to insure the lives of persons of either sex, between the ages 16 and 60, for not less than £20 or more than £100. He is also empowered, under the same Act, to grant Immediate or Deferred Annuities, of not more than £50, on the lives of persons of either sex, and of the age of ten years and upwards. The persons whose lives are insured, or to whom Annuities are granted by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

2. Certain Post Offices (the names of which may be obtained at any Post Office) have been opened for the receipt of proposals for the Insurance of Lives and the purchase of Annuities; and forms of proposal, with full instructions for filling up and delivering these forms, may be obtained at these Post Offices.

3. Tables of the premiums to be charged for the Insurance of Lives; for the grant of Immediate Annuities; for the grant of Deferred Annuities or Deferred Monthly Allowances, without return of purchase money, and for the grant of Deferred Annuities or Deferred Monthly Allowances, with return of purchase money have been printed, and may be seen at the Post Offices which have been opened for the receipt of proposals. These tables may also be obtained of Messrs Eyre and Spottiswoode, London. The price of the Tables for the insurance of Lives and the grant of Annuities without return of purchase money is 3½d. The price of the tables for the grant of Annuities with return of purchase money is 2d. If sent by post, 8d is charged in the one case, and 3d in the other.

4. The premiums to be charged for the insurance of lives vary with the ages of the persons whose lives are to be insured, and with the mode in which they are to be paid.

The life of a man or a woman in his or her 30th year may be insured for £100—

Smaller sums may be insured by proportionate payments, but none of the periodical payments must be of less amount than two shillings.

5. No one life can be insured for less than £20 in the whole; but when a life has been insured for £20, further insurances may be effected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to £100.

6. If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue such payments, a portion of the premiums paid by him, which portion will in no case be less than one-third of the whole sum paid by him, will be returned to him.

7. The sums to be charged for the purchase of Immediate Annuities will vary with the age and sex of the person on whose life the Annuity is to depend:—

A Man aged 65 can purchase an Immediate Annuity of £10, payable half-yearly, for..	88	18	4

A Woman of the same age can purchase a like Annuity for.....	84	19	2

8. The sums to be charged for the purchase of Deferred Annuities, or Deferred Monthly Allowances, will vary with the age and sex of the person on whose life the Annuity or Monthly Allowance is to depend; and with the length of the term for which the Annuity is deferred, (or, in other words, with the number of years which are to pass before the commencement of the Annuity), and with the conditions of the contract as to the mode of purchase, mode of payment, and return, or non-return of purchase money.

When the condition of the contract is to be that no part of the purchase money shall, in any event, be returned—

	£	s.	d.
A Man aged 30 may purchase a Deferred Annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by immediate payment of.....	24	3	4

A Woman of like age may purchase a like Annuity by an immediate payment of..... 32 8 4
or,

An annual payment up to 60, of..... 1 17 6

and a Man aged 30 may purchase a Deferred Allowance of £2 7s 3d per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s per month; and a Woman of like age may, by a like payment of 8s per month, purchase a Deferred Allowance of £1 16s 7d, to commence when she reaches the age of 60.

When the condition of the contract is to be that, in the event of the person on whose life the Annuity or Allowance is to depend dies before the commencement of Annuity or Allowance, the purchase money is to be returned to his representatives, and that if the purchaser at any time before the commencement of the Annuity or Allowance is unable to continue, or wishes to discontinue the purchase, the purchase money shall be returned to him; the price charged will be higher than when no such condition is made.

£ s. d.

Under this condition, a Man aged 30 may purchase a Deferred Annuity of £10, to commence when he attains to 60 years of age, and to be payable half-yearly, either by immediate payment of... 40 9 2
or,

By an annual payment, until he attains 60 years of..... 2 0 10

And a Woman of like age may purchase a like Annuity, either by an immediate payment of..... 47 0 10
or,

By an annual payment of..... 2 7 6

and a Man aged 30 may purchase an Allowance of £1 14s 2d per month, to commence when he attains the age of 60 years, by a monthly payment of 8s; and a Woman of like age, by a like payment, until she reaches the age of 60 years, may purchase an Allowance of £1 9s 4d per month.

9. The Annuity or Monthly Allowance granted on any one life must not exceed £50 per annum, or £4 3s 4d per month; but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as circumstances will permit.

10 Husband and Wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4 3s 4d. Any two persons may purchase an Annuity

on their joint lives, with or without continuance of the Annuity to the survivor.

11. Persons contracting for the insurance of their Lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical premiums or instalments of purchase money at such of the Post Offices, which have been or may hereafter be opened for the purpose, as will suit them best.

12. Persons proposing to effect Insurances on their Lives, or to purchase Deferred Monthly Allowances, must provide at their own cost such certificates of their birth or baptism, or other evidence of age, as shall be required of them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose, for the Insurance of their Lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s. for every £1 of Annuity purchased.

PRINCIPAL RULES OF THE POST OFFICE SAVINGS BANK.

A. Post Office Savings Banks are established at all Money Order Offices in the United Kingdom, and are open for the receipt and payment of money daily during the hours appointed for Money Order business.

At these banks deposits of one shilling, or any number of shillings will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2 10s per cent. per annum (which is at the rate of sixpence in the Pound for each year, or at the rate of One Halfpenny on each complete Pound for each month, reckoning from the first day of the Calendar month next following the day on which a complete Pound has been Deposited, up to the last day

of the Calendar month preceding the day on which the money is withdrawn) is allowed until the Sum due to a Depositor amounts to £200, when interest ceases to be allowed. The interest due to each Depositor is added to the principal due to him on 31st December in each year.

B. Every deposit in a Post Office Savings Bank must be immediately entered by the Postmaster, or other person receiving it, in a book, which book is to be kept by the Depositor, and the Postmaster or other person receiving the deposit should affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the depositor within three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland the acknowledgment should reach the depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the depositor's book, the depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

C. Once in each year, on the anniversary of the day on which the first deposit was made by him, the depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that Department, and in order that the interest due to the previous 31st December may be inserted in it.

D. When a Depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-General on a printed form called a Notice of Withdrawal, which he can obtain at any Post-Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post-Office Bank named by him in the notice of withdrawal.

E. A Depositor in any Post-Office Savings Bank may add to his deposits at that or any other Post-Office Savings Bank, and may withdraw the whole or any part of them from that or any other

Post-Office Savings Bank, without change of deposit book. For instance, if he makes his first deposit at the Post-Office Bank at Huddersfield, he may make further deposits at, or withdraw his money from, the Post-Office Bank at Huddersfield, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

F.
